MIP.0101-732-13/1933 numbered and 10.08.2016 dated announcement

Dear Valued Customers and Port Users;

"Regulations regarding the Determination and Declaration of Verified Gross Mass of Laden Containers transported by sea" has been amended and taken effect as of the announcement date of 09 September 2016.

Amended regulation requires changes on the system infrastructure and these processes will be completed at the soonest time possible. MIP will begin to apply the New VGM application by 15 November 2016. A detailed disclosure will be announced before the new application takes effect.

The operation and charges related with the services provided will remain effective with respect to the prior announcement which is governed by the former VGM regulation.

You are kindly requested to circulate the announcement to corresponding members and related parties.

Kind Regards,

Mersin International Port
