

A new Line from Mersin to Libya... Lojiport, 22.01.2010

According to information taken from Mersin port Authorities, "A new line between Mersin and Libya started to render service"

According to the written statement from Mersin International Port (MIP), MEDKON Shipping Agency (Container Line Management Corporation) initiated the service between Mersin and Libya. This new service started at Mersin Port after Istanbul and Izmir port. Additionally, new service will come into force at Mersin and Libya line will connect Turkey to Northern Africa. Service will realize 3 times a month and the route of the service will be "Mersin-Misurata-

Tripoli/Benghazi-Mersin". As a beginning, 150-160 TEU containers will be carried for each call.

This is stated that BATURAY-1 vessel owned by MEDKON Shipping Agency will come to Mersin port. Thus, the **direct line between Mersin and Libya** will be officially opened.
