Announcement no. MIP.0101-732-26/868 dated 06.05.2014

The Empty Container Storage Free Working Stock Scale, as mentioned in the referenced announcements has been updated as attached for two year contracts signed as of the 01.04.2015.

The application conditions of our announcement will be as follows :

1. Transshipment containers are not included in the empty container free working stock
2. The container benefiting from the global storage indemnity and which gate out of the port by rail or by road should be loaded onto the vessel after returning to the port by road or by rail. Otherwise, normal tariff will be reflected on the said container's empty status.
3. Nomination of the empty containers will be made by MIP.
4. A monthly count of the TEU/Days will be tabulated at the end of each month. For excess of TEU/Days in each month, a charge of USD 2,5 per exceeding TEU-Day applies.
5. This application will be valid as of the 01.04.2015 and until that date the referenced announcement conditions will apply.
6. The Shipping Lines/Owners/Shipping Agencies (Separate application to be done for each Line represented by the same Agency) are required to sign a 2 year agreement, having stated their selected annual volume commitments.
7. Container lines having signed 2 year Empty Container Storage Free Working Stock contracts with MIP will be able to transfer +/-5% of total yearly container volumes between the contractual years in order to fulfill the commitment in the agreement.
8. Final date to apply for the signature of a contract is Thursday 30 April 2015.

You are kindly requested to make the announcement of the application to your members.
