

Number : MIP.0101-732-26/1831
Subject : Transhipment Laden Container

29.07.2015

Reference : Announcement No. MIP.0101-370-52/2575 dated 09.12.2014

In order to support container lines which aim to increase their transhipment container volumes, MIP has decided to implement the following application, to which details are provided below, until a second announcement.

The transhipment tariff will be applied as per the below table if conditions of a one year contract are fulfilled. The contract will be made over the container (Box) amounts stated in the table regarding laden containers subject to transhipment regime, which are discharged and loaded onto / from vessels at our port.

Transhipment Laden Container Amount (Box)*	Laden Container Discharge / Laden Container Loading Fee**	Empty Container Discharge / Empty Container Loading Fee**	Coning / Deconing**	Free Storage Period (Laden Containers)
0 – 10.000	55.00 \$	38.00 \$	5.00 \$	7 Days
10.001 and above	50.00 \$	30.00 \$	2.50 \$	16 Days

* Commitment stated in the table to be calculated over the number of transhipment containers; with one discharge + one loading operation of the same container to be considered as 1 (One) Box.

**Charged per container and over move.

All conditions stated below must be fulfilled for the application of the rates and free storage days stated in this announcement.

1 – Laden transhipment containers discharged and loaded from / onto the vessel during the contract period, subject to declaration as transhipment on discharge lists transmitted via WEB, will be taken into consideration for the calculation of the container amounts.

2 – Contracts will be made with container lines and agents (separately for each line represented)

3 – Rebates will be payed in the lumpsum at the end of the period stated in the contract. Upon reception of a letter of guarantee, the rates stated in the table will apply as of the first container.

4 – Service tariffs in the MIP Price List and Specific Conditions dated 31 December 2014, related to containers subject to transhipment regime will be fixed for companies which will sign contracts, and companies having fulfilled their contract conditions will not be affected by any eventual increase in tariffs which apply to transhipment containers during the contract period as of this date.

5 – If companies with ongoing Laden Container Undertaking Contracts signed with our establishment as per the referenced announcement sign a Transshipment Laden Container Undertaking Contract in accordance with the present announcement and all conditions for both contracts are fulfilled; laden containers subject to the transshipment regime (one discharge + one loading operation of the same container to be considered as 1 (One) Box) within the period covered by both contracts will be included in the laden container amount within the scope of the Laden Container Undertaking Contract.

You are kindly requested to make the announcement of the application to your members.
