Subject : Transshipment Laden Container Announcement

11.09.2019

Reference: Announcement No. MIP.0101-732-24/2819 dated 16.12.2016

In order to support container lines which aim to increase their transshipment container volumes, MIP has decided to update the transshipment tariff table stated in the referenced announcements as below.

Transshipment Laden Container Amount (Box)*	Laden Container Discharge / Laden Container Loading Fee**	Empty Container Discharge / Empty Container Loading Fee**	Coning / Deconing**	Free Storage Period (Laden Container)	Free Storage Period (Empty Container)	Transshipment Reefer Container Storage	Transshipment Reefer Container Monitoring
0-10.000	\$55.00	\$38.00	\$5.00	7 Days	5 Days	\$55.00/Day	\$20.00/Day
10.001 and Above	\$45.00	\$30.00	\$2.50	16 Days	10 Days	\$30.00/Day (First 3 days)	\$10.00/Day (First 3 days)

* Commitment stated in the table to be calculated over the number of transshipment containers; with one discharge + one loading operation of the same container to be considered as 1 (One) Box.

**Charged per container and over move.

Container lines which have signed Transshipment Laden Container Undertaking Contracts with our company according to our related announcements and those which wish to sign new Transshipment Laden Container Undertaking Contracts with our company will benefit from the above tariff, subject to fulfillment of contract commitments.

You are kindly requested to make the announcement of the application to your members.
