Arranged by Tax Administration of Mersin, Mersin Chamber of Commerce and Industry, Mersin Chamber of Shipping, Mersin Commodity Exchange in cooperation with Union of Chambers of Tradesmen and Craftsmen, "Record holders of Tax Year 2011 in the Province of Mersin and Successful Exporters Award Ceremony" has taken place by the attendance of Minister of Finance and Economy Minister Zafer Çağlayan.

Ceremony held in the Mediterranean Exporters Union, Economy Minister Zafer Çağlayan told "While 3. Region is benefiting from the incentive system, the investment in OSB will benefit from 4. Region incentive. We have done such an incentive system that only our cities are not convicted to regional incentive system."

Referring to shortages of small shopkeepers, the Minister of Finance told that TBMM accepted a draft of Finance Ministry and by this there are important steps taken, and told "Taxpaying means adding value to this country. When tax is paying regularly, the jobs in this country can be done better."

Mersin Governor stated that Mersin is living historical days and told "Mersin is taking place in 12 cities of Turkey at taxpaying and public income and transferring public sources excess to public."

Mersin Chamber of Commerce and Industry President Şerafettin Aşut told "We as Mersin from the smallest firm to the biggest one make production, create employment, make export, find new markets and integrated Mersin to international formations. Much more importantly, we are one of the top cities at paying tax and amount."

Mersin Union of Chambers of Tradesmen and Craftsmen President Talat Dinçer spoke as "Most of the big managements' headquarter is out of the city. When taxing, the endorsements made in here are gone to the center as a result there is a loss happening in the tax proportions. But, Mersin ranks 6 at tax income and 3 at the collection of taxes."
