

Ref : MIP.0101-351-27/1486

Date : 27.06.2012

Subject : Full Inspection and On-site Inspection Tariff Change

It has been noted an increase lately in the number of containers sent for inspection by the Customs Directorate, with regard to containers loaded on vessels or discharged from vessels. The fact which have created additional costs to the port users or customers. In order to help reduce the costs;

1- MIP has changed the full inspection charges published in section 1F of MIP Price List and Specific Conditions. The reduced new charges are shown in the following below mentioned table. Accordingly, full inspection charges include the services for the container to be taken from the full container yard to the inspection yard, being completely stripped for cargo inspection, then re-filled and taken back to the laden yard.

Full Inspection	USD per container									
	Import		Transit		Transshipment		Export		Domestic	
	20 ft	40 ft	20 ft	40 ft	20 ft	40 ft	20 ft	40 ft	20 ft	40 ft
with equipment	180	250	180	250	180	250	140	200	140	200
with labor	200	300	200	300	200	300	180	250	180	250
with labor and equipment	200	300	200	300	200	300	180	250	180	250

2. MIP has also changed the on-site inspection charges published in section 1F of MIP Price List and Specific Conditions. The reduced new charges are shown in the following below mentioned table. Accordingly, inspection on-site charges include the services for the container to be taken from the full container yard to the inspection yard determined by Customs, landing and taking back to the land yard after the inspection.

Inspection on – site	per container
Export	USD 5 + 2 times terminal handling charges
Others(Import/Transit/Transshipment/Domestic)	USD 10 + 2 times terminal handling charges

Effective from 1st July 2012 and valid until further notice, the above mentioned charges will be applied.
